### Anarchism : A History Of Libertarian Ideas And Movements (Excerpts)

Clue: he's not very good on the Spanish movement, those nasty ruffians! His prologue outlines Woodcock's view of the subject matter.

It includes material from , , , , , , , , , , and many others. At the same time, his compassion and generosity of spirit make plain the relevance of anarchism to our own age of capital, empire, and the surveillance state. In 1959 he was the founding editor of the journal Canadian Literature, the first academic journal specifically dedicated to Canadian writing.

**skynet2550.us.to: Anarchism: A History of Libertarian Ideas and Movements eBook: Woodcock, George: Kindle Store**

For those interested in a general overview of the subject, this serves well.

**Anarchism: A History Of Libertarian Ideas And Movements: Woodcock, George: 9781258115272: skynet2550.us.to: Books**

Though at times somewhat dated today, still very much worth the read. Each selection is introduced by Graham, placing each author and selection in their historical and ideological context. .

### Anarchism

Mark Leier Woodcock's thoughtful appraisals, careful research, and graceful writing skillfully demonstrate the importance of anarchism as a historical movement. He reflects upon the meaning of the work of individuals and the movements across different societies.

### Anarchism

Towards the end of his life, Woodcock became increasingly interested in what he saw as the plight of Tibetans. At the same time, his compassion and generosity of spirit make plain the relevance of anarchism to our own age of capital, empire, and the surveillance state. Table of ContentsPreface to the 1986 edition 1.
