President Barack Obama reiterates US position that Tibet is part of China

According to reports, doctors frequently persuaded parents of children with disabilities to place their children in large government-run institutions, often far from the parents, and in which care was often seriously inadequate. Practitioners of the banned Falun Gong spiritual movement reported systematic torture more often than other groups. The government still had not provided a comprehensive, credible accounting of all those killed, missing, or detained in connection with the violent suppression of the 1989 Tiananmen demonstrations.

I find it impossible to believe a Chinese invasion of the Mainland could now occur without the whole world--friend and foe alike--blaming the United States for allowing the Sino-American Defense Pact to be violated. But as incomes have risen, so too have inequalities created by economic restructuring policies that have favored urban over rural development. The law gives the ACFTU financial and administrative control over constituent unions empowered to represent employees in negotiating and signing collective contracts with enterprises and public institutions.

During the year, industry officials estimated the number of users at 80-100 million, with only 27 percent of those in the urban centers of Beijing, Shanghai, and Guangzhou. He expressed our concern regarding this matter and said he hoped that the problem would be solved by eventual Chinese adherence to the Treaty or by disarmament. Ramos-Horta and Bishop Carlos Belo were awarded the 1996 Nobel Peace Prize for their efforts in East Timor, which was occupied by Indonesia in 1975.

The court eventually accepted the lawsuit. In addition to confiscating religious publications, the Chinese government also has fined, detained, and imprisoned citizens for publishing, printing, and distributing religious literature without government permission. Like earlier local and national regulations on religion, the RRA emphasizes government control and restrictions on religion.
