## Niemand sah das Reich untergehen: die Geschichte der Völkerwanderung

His multi-volume Prehistory of the Germanic and Roman Peoples, a chronology of the Migration Period that first appeared in print in 1883, was so definitive that abbreviated versions were reprinted until the late 1970s. In existence since Roman times, during the barbarian invasions San Giovanni al Natisone was the scene of clashes between the Lombard Duke Gisulfo and sparse populations.

## Völkerwanderung translation in English

For events with a spatial as well as a time-related expansion - for example, the migration of the peoples, static maps are limited in conveying information.
