Future of Libraries in the Digital Age

We are in the midst of major changes to library service — changes to how we provide access to the collections or even the buildings and changes to what those collections are. A place where people come together to do co-working and coordinate and invent projects worth working on together. Margolis, Assistant Commissioner for Libraries and State Librarian.

Creating the Future: A 2020 Vision and Plan for Library Service in New York State: Regents Advisory Council on Libraries: Library Development: New York State Library

Navigating the endless sea of information required strong critical thinking skills to discern quality search results, but the public library was ready to meet the challenge. Imagine the conversations we, as a country, would be having about our future if we democratised those tools via the local library. Attendees heard from John Hammond, Regents Advisory Council on Libraries RAC Chairperson, Jeffrey W.

10 innovative technologies to implement at the library of the future

Makerspaces are playing an increasingly important role in libraries.

10 innovative technologies to implement at the library of the future

Saladino, Steven Otis, and Michaelle C.

Forecasting the Future of Libraries 2015

I keep arguing for instance, that community colleges are the institutions-of-the-moment, in increasing the chances for really inclusive economic growth. More mail ahead, with a different range of views. This was an interactive two-day learning and discussion event on meeting the needs and expectations of our constituencies through collaborations.

Commentary: Dover Public Library looks toward future

But unlike in the case of Hoffa, no one in the library field seems intent on figuring out what happened to reference.
