### 1540 Committee

Among other things, the new agreement will ensure enhanced information exchanges and sharing of best practices in strengthening parliamentary capacity worldwide.

### 1540 Committee

There is a pool of useful expertise within, for example, industry, professionals, universities and NGOs, which could be used by the Committee.

### GHANA TO HOST SEMINAR ON SECURITY COUNCIL RESOLUTION 1540, 9

Mongolia 31 May 2005 18 April 2014 103. Saint Vincent and the Grenadines 17 September 2008 135. There has been a noteworthy increase in the number of States, to 152, which have a legal framework in place to prohibit the use of biological weapons by non-State actors, by comparison with 115 in 2011, representing a 32 per cent increase.

### Inter

The Committee notes that, with regard to assistance requests, there has been a decrease in the total number of requests submitted during the period under review, by comparison with requests submitted prior to 2011. Status of implementation of resolution 1540 2004 based on the Committee matrices: comparative information for 2011 and 2016 — paragraph 3 c and d : materials related to chemical weapons XVII. Mr Khumalo later held talks with Mr Chungong, stressing that his country was already addressing a call by the Council for action to end violence against women by restarting legislation interrupted by elections.

### Inter

The delegation, led by the Speaker, Chynybai Akunovich Tursunbekov, confirmed that the Parliament was committed to strengthening its cooperation with IPU. Participants identified as main challenges long-awaited laws aimed at underpinning equality in marriage, insufficient implementation of legislation on violence against women, and persisting gender stereotypes and harmful practices.
