## How to Write a Bibliography

Did the material come from a blog? For example, if the author's name is found within the in-text citation, then there is no need to add it at the end; insert the page number, and you are all done referencing. The form of citation also differs from other writing styles.

## Outline

Leave one space after a period or other concluding punctuation mark, unless your instructor prefers two spaces.

## MLA Endnotes and Footnotes // Purdue Writing Lab

You might have read a book of short stories on Google Books, or watched a television series on Netflix. Tables and Illustrations Try to put tables and illustrations as near to the corresponding text as possible. For example purposes, we will explore APA vs MLA.

## Guide to Writing Research Paper in MLA Style

Put short titles of books in italics and short titles of articles in quotation marks.
