This provision is precisely what was meant by that commitment. Let them leave their families behind for months and maybe come back home in a box.

Discretionary Grants

In the two cases of people being evicted from rental apartments and a residential hotel, tenants expressed some individual unhappiness with the moves to evict them, but this did not lead to any significant individual or collective action. This outstretched hand bypassed unions and the state, for the conservatives sought to soften the impact of hierarchical authority within the firm rather than open industrial relations to outside intervention.
