We will treat your information with respect. This blog features how-to videos on suturing techniques commonly used for acute traumatic lacerations treated in an emergency room, urgent care, or family practice office environment.

### THED: Closing the Gaps by 2015

For these schools, closing the gap has been more than just a strategy to ensure financial sustainability — it has provided the freedom to use financial resources in new ways. Even if the expenses were accounted for in the budget, this step meant that everyone was being mindful of what they were spending and living within the budget. Love this design and what it stands for?! For example, an increase in net tuition revenue had to be equal to, or exceed, an increase in expenses.
