England's Cathedrals, Abbeys, and Medieval Painted Churches

The Continent has much more to offer in this respect, but enough remains in England, to-day, though not always in its original position, to richly reward the student of early glass. The pulpit and choir stalls are good examples of modern carving. The Archbishop of Canterbury, Primate of All England, has had his episcopal seat here since 597, and for many centuries was almost equally powerful in church and in state.
