## The Indian in American Life by Lindquist G E E

The second manner of diminishing the influence of authority does not consist in stripping society of any of its rights, nor in paralyzing its efforts, but in distributing the exercise of its privileges in various hands, and in multiplying functionaries, to each of whom the degree of power necessary for him to perform his duty is entrusted.

## New Content Added to HeinOnline October 2019

The last three amendments of the Constitution have so changed this, that those who were then negro slaves are clothed with the rights of citizenship, including the right of suffrage.

## Books

Washington: President's Export Council, 1992 1v. In one such series of conflicts, the so-called and the subsequent , the entirety of the was brought to the brink of extinction, from a previous population of some 3,500 people to fewer than 100.

## American Indian Freemasonry

Some were of colossal size, like the Cahokia mound in Illinois, standing one hundred feet high and covering sixteen acres; others were mere blisters rising from the ground. A study of the various efforts in Chicago can provide us with a broad understanding of the stereotypes that increasingly defined American Indians to the United States culture at large well into the twentieth century. They are chosen in the same manner, and by the same citizens.
