## How to Use a Pendulum

The facility is equipped with patron amenities that include concessions, restrooms, shade structures, meeting rooms, in addition to public outdoor amenities such as walking trails, playgrounds, and water features. The expansive roof design will protect patrons from direct exposure to the elements and create opportunities for the facility to be used during non baseball events for farmer's markets and other civic activities.

## How To Use A Pendulum

While meditating with a pendulum, simply holding it between your fingers will make it respond to the vibrations that emit from the nerves in your fingers. You can do this by simply breathing with the intention of letting the stress out, or make it more of a ritual by lighting candles, putting on some zen music, or diffusing essential oils.
