How to work with others · Yerp

Start small and build up You can develop teamwork skills by starting work together on a small task, and building up to larger activities. A favorite tactic is to reply to you—cc-ing the boss, of course—but taking credit for your work.

My Bibliography FAQ

If it's any more than that, you'll run out of RAM and the engine will hang. It has inaccurate information about me! It can hurt morale and cause tension that disrupts the team.
