Poems by George Butt. In Two Volumes. Vol. I. [

His ethical, religious, and existential reflections have endured as an expression of Stoicism, a text for students of that philosophy, and a guide to the moral life. Among his best-known works are the lengthy narrative poems and ; many of his shorter lyrics in also became popular.

Lord Byron

They not only record careers and illustrious deeds but also offer rounded portraits of statesmen, orators, and military leaders. They not only record careers and illustrious deeds but also offer rounded portraits of statesmen, orators, and military leaders. Germania is a description of German tribes as known to the Romans.

Poems by George Butt. In Two Volumes. Vol. I. [

His extant works other than the are varied, about sixty in number, and known as the Moralia Moral Essays. His profound lyricism and ideological courage has inspired many Armenian poets, the likes of , , Ruben Vorberian, and others. Led by love for the local aristocratic, young, and newly married Teresa Guiccioli, Byron lived in from 1819 to 1821.

Two Poems

This is the first of two volumes giving a selection of Greek papyri relating to private and public business.
