### Sealift Readiness Program [SRP]

For more information and topics on the Engine exam contents, see the. The herculean effort involved in deploying campaign-quality forces and sustaining them for the duration of combat operations requires a vast network of non-military partners, starting with interagency organizations. Freight volumes are projected to increase by 31 percent and U.

### Strategic Sealift

Under this program, the participating carriers made a certain percentage of their fleet available at the call of the command. The Prepositioning and Sealift programs are unchanged by the 2012 reorganization. We are going to have to fight our way to the fights.

## LOGISTICS AND THROUGH LIFE UPDATE

SDDC integrates and synchronizes surface deployment and distribution capabilities to project and sustain U.

## MSC

Finally, we are working to attract new investment in technologies to more efficiently and safely integrate maritime cargo movement into the overall transportation system. Opportunities for Prior Rate or Designator Sailors If you have cross-rated or redesignated, you now are eligible for

certifications and licenses mapped to your prior rating or designator.

## **LOGISTICS AND THROUGH LIFE UPDATE**

The most recent ongoing attempt is an effort by European dredging companies to operate foreign-built, foreign-owned dredges in our country. We have more than 50 government-owned, government operated vessels that vary in size and purpose—everything from fleet replenishment oilers to fast-combat support ships and joint high-speed vessels.

### **Military Sealift Command**

We are a highly matrixed organization in these days of information technology.

### **Admiral Robert Reilly**

Please do not hesitate to contact us if you have questions or concerns. The Intelligence Authorization Act now goes to the full Senate for approval.

### **Maritime Prepositioning Squadron 2**

In October 2013, the MSCLANT Task Force Designator changed from CTF-23 to CTF-83. ICAC ICAC indicates that the credential has been accredited by the International Certification Accreditation Council ICAC.
