## Elsevier's fiscal and customs dictionary in four languages, English/American, French, Dutch, and German

Interactive Spanish - English dictionary source, learner's dictionary — used by our translators: rarely — SpanishDict is the world's largest Spanish-English dictionary featuring more than 1,000. There is also a word form generator that will list all the different forms of a word, such as the plural form, the noun form, the verb form, and even different tenses for verbs. Featuring a cross-structure, horizontally ordered contents are vertically accessible in different formal and informal languages and dialects, it turns out to be a remarkable and eminently useful tool for every legal translator as different conceptual descriptions within dissimilar jurisdictions may be compared with each other in order to choose the most suitable translation.

## Travellers' foreign phrase book : English, French, German, Italian, Spanish, Dutch

All features are categorized into one out of nine feature classes and further subcategorized into one out of 645 feature codes. Our online platform, Wiley Online Library [wileyonlinelibrary](http://wileyonlinelibrary).

## eulenhaupt translation services " Links and resources for linguists " tools and sources for legal translators and for financial translators

Multilingual terminology database — used by our translators: frequently — Provided by the Canadian government this quadrilingual database gives the precise English, French or Spanish or Portuguese equivalent to designate anything from a simple tool or a complex machine, to a disease or plant, association or committee. One thing, however, that strikes us - and most likely, it strikes a lot of users - is that the tool fetches entries from the Google Translate database, regardless whether there is a clear match that might be utilized.

## Acoustics dictionary : quadrilingual

Throughout his career, he exhibited great determination and perseverance in trying to achieve a clear and consistent terminology, and its

subsequent use, in the science of economics. Old English is the language of Beowulf.

### **Elsevier's fiscal and customs dictionary in four languages, English/American, French, Dutch, and German**

With simple, clear definitions, this online tool provides a wealth of sample sentences and idioms. The site accepts words that have been made up on the spot, including words defined with a humorous intent. For the time being users are able to view the dictionary by selecting a volume or using one of the full text search forms.

### **Quadrilingual Economics Dictionary**
