Cadillac Fairview

Was there Valid Consent and Notice for collection of MAC Address and geolocation information? Subsequently, in its response to our preliminary report, CFCL committed to implement a number of our recommendations which would bring it into compliance with Canadian privacy laws. The company was founded on November 23, 1993 and is headquartered in Chicago, IL. While this report examines the practices of certain third parties who provided services to CFCL, it does not draw any conclusions about the legal obligations of these parties, or any other organization or individual.

The OIPC BC has also issued investigation reports that cite device identifiers as a form of personal information. Section 10 1 of PIPA BC further

provides that on or before collecting personal information about an individual from the individual, an organization must disclose to the individual verbally or in writing the purposes for the collection of the information. Many users will not, before logging in, or ever, read that 5,000 word document.

Thus, the Privacy Policy is not readily accessible to individuals while they are engaging with a wayfinding map. Prepared in accordance with the internationally recognized Global Reporting Initiative GRI standards, the report covers activities between September 1, 2017 and August 31, 2018. The Court noted that the case was an illustration of the problems that can arise when the Court goes beyond the issues raised and spoken to by the parties.
