## Rusty's Story

She starts petting him and poking at his giant paws.

## A new 'Hero' for Manitoba: meet Rusty the therapy dog's replacement

From that day on, he would be known as Rusty and has a family to protect. Only after her getting into the chair and saying something to him about going outside, would he ever so slowly get up to go out, and then eat upon entering the house.

## Rusty the Therapy Dog

Rusty logged more than 2,000 hours of pet therapy duties until he retired last November. Explaining his story to the parents, she reassures them that even with his large and scary exterior, he has a heart of gold and the only thing he wants is a family to love him. Rest well Rusty, rest well.

## Rusty the narcoleptic dog

It took all of us about 45 minutes to corner him under a tree before 2 of us gently and reassuringly lifted him into the back of my truck. He got to meet a lot of nice people. It really was his time, and he was ready.

## Sun Sentinel

Having a partner who is around too much.
