Digital Divide Hopefully less of an issue than it used to be, but there is no doubt that anyone not able to connect to the Internet is likely to be at a disadvantage for knowledge and information sharing. Since joining Interaction Associates in 1986, Ms. In this workshop Linda will examine a barrier that frustrates many innovators - the inability to sell a good idea - and discuss ways you can increase your influence so ideas get implemented.

## 6 Best Ways to Increase Team Collaboration Within the Workplace

The volume is divided into six parts.

### Radical KM

Fear of change There is no doubting that we live in far more uncertain times, where change and complexity is all around us. Compared to the most unhappy people, the happiest people spent 25% less time alone, 70% more time talking, and twice as much time in substantive conversations! How much will it cost me to exhibit during the entire conference? Pay attention to questions other people ask, especially those from artists, scientists, and thought leaders.
