## Research Guides & Bibliographies (Getty Research Institute)

Get a Britannica Premium subscription and gain access to exclusive content. In 1912, women in Colombia declared the defense of civil rights of married women.

## Vol. 27, No. 1, 1992 of Latin American Research Review on JSTOR

Sarmiento 1811—1888 echoed Bolívar's lack of faith in the nonwhite population, albeit in much more explicit terms. The economic development of Latin America and its principal problems. Gender was incorporated into public policy and social programs by state and intergovernmental organizations, reflecting the way in which it could be taken up as part of the lexicon for even policies not feminist-inspired Lima Costa 2014a: 26.

## Latin America, 1979

However, the suffrage movement stagnated in other countries: women were enfranchised in Nicaragua and Perú in 1955, and only in 1961 did Paraguay give women the vote. Fuentes de la historia contemporánea de México; libros y folletos.

## Research Guides & Bibliographies (Getty Research Institute)

El gobierno virreinal en América durante la casa de Austria. Bibliographies begin with general works, and then are subdivided by country.

## Guides

Doctoral dissertations in history and the social sciences on Latin America and the Caribbean accepted by universities in the United Kingdom, 1920-1972. Cutting across these logics is the way in which inclusion in feminism is contingent upon practice.

## Latin America in the Modern World

Center for Applied Human Ecology, Chiapas, Mexico. Those errors are very easy to resolve once the situation is better understood.

## **Guides**

Bibliografía hispanoamericana y filipina : manual de repertorios bibliográficos para la investigación de la historia y la literatura hispanoamericanas y filipinas. Throughout the region, women collectively participated in movements to engender human rights by seeking better access to education, healthcare, and urban services as well as resistance to military state repression Saporta Sternbach et al. Squatters: A form of spontaneous colonization in Costa Rica.

## **Humanities**

The number of feminist magazines, films, and video collectives increased. Claims to the decriminalization of abortion emerged under access to reproductive rights that sought to give women control over their own bodies. It's decent as the barest survey.
