. Classicism, Politics, and Kinship: The Ch'ang-chou School of New Text Confucianism in Late Imperial China.

## East Asian Track

Whether or not this actually works depends on many things, including the way sociotechnical imaginaries of IVF inform regulation, the role of the state versus the medical community in organizing data collection, and the channels and formats of overall data reporting. If I discovered a new word, phrase, or saying, I added it to my collection. This commentary was published with permission of — Bill Emmott, a former editor-in-chief of The Economist, is co-director of the Global Commission for Post-Pandemic Policy.

## Department of East Asian Studies

New Haven: Yale University Press, 1990.

## 8. Translations

The result is a fine piece of work that, while not necessarily revolutionizing existing scholarship on the Mozi, offers a richly annotated and solidly researched translation that will prove very useful as a first point of reference to this fascinating text. New York: Frederick Ungar Pub.
