Borregaard shall always perform its contractual obligations in accordance with the terms of the relevant contract unless deviations are approved by appropriate line management personnel and properly documented in company records. His current interests concern the interrelationship between forensic science and the law along with public policy issues concerning the timely delivery of quality forensic support services to the criminal justice system.

## Presidential Commission on Law Enforcement and the Administration of Justice Releases Final Report

Media Mention March 12, 2019, Laura Brookover spoke with Law. Progress has been made in finding and prosecuting the guilty, but more effort and imagination will be needed for changes in accountability and transparency to continue, according to the paper.
