### Isola 2000 Ski Resort Guide

During your stay in Isola 2000, feel free to relax with massages and various treatments that are offered in town.

### ISOLA 2000

These two parks are also exceptional because of the richness of the fauna and flora: more than 2000 species of plants including 200 that are rare, 6300 chamois, 1200 mouflons, 300 ibexes. . ISOLA 2000 is the first resort of the southern Alps.

### Isola 2000

It offers at less than 100 km from Nice and the borders of Italy a 120 km range of slopes that extends from 1800 to 2610m If you like moving, your major preoccupation will be to reconcile all what you feel like doing. You can breathe the pure air of the mountain in a privilege space, an exceptional natural and cultural patrimony which justifies a particular protection.

### Isola 2000

There are a variety of restaurants on the mountain and dozens more located nearby, cuisines ranging from French to Italian.

### BERGFEX: Ski resort Isola 2000

A new sliding area, one of the best of the Alps. .

### BERGFEX: Ski resort Isola 2000

Thanks to the snow cannon and artificial lakes equipment, we are sure to always have snow as soon as the cold arrives even if no precipitation is present. Night skiing, torchlight descents, sports shows and plenty more events besides.
