## Soviet Union

Soviet warships conduct exercises in the Gulf of Mexico, their bombers fly reconnaissance missions along the Atlantic coast from airfields in Cuba, and their pilots strategic systems in Cuba threatens the basic foundation of U.

## Invading Iran

However, the reverse is true for the the three-toed, pale-throated sloth. Though the disease is rare today, outbreaks do occur, and those at high risk of coming into contact with anthrax spores may be vaccinated. Army Air Force balloons crashed at a ranch near Roswell, New Mexico found that an incredible 80% of Americans believe that the American government is covering up its knowledge of alien life forms.

## Soviet America

But the new documents provide precise details for the first time of the Soviet military response to the NATO exercise, an annual event that practiced a simulated nuclear attack on the forces of the Soviet Union and Warsaw Pact.

## 10 Greastest Inventions Made By The Soviet Union

When the Soviets took over the Russian Empire, millions of Muslims still lived in Central Asia, on the Crimean peninsula of southern Ukraine, in the Caucasus Mountains, and elsewhere.

## Invading Iran

Under the 1935 Master Plan for the Reconstruction of Moscow approved by Joseph Stalin, an Avenue of the Palace of the Soviets was to be laid out there. Then the Soviets pour 90 divisions into Central Europe as NATO and the Warsaw Pact go to war.
