National Identity in Russian Culture

Most conflicts are multidimensional, simultaneously involving struggles for political control, rights over natural resources, migration and relocation, and the revitalization of national or ethnic cultures, religions, languages, and identities. For a thousand years these questions have been central to the work of Russian writers, artists, musicians, film-makers, critics, politicians and philosophers. The creation of social and economic equality was the goal of early communist ideologues.

RIAC :: The National Identity of Russia in the 21st Century

Rock flourishes today among tens of thousands of rock groups and dozens of famous bands. Images of Saint Basil's and those of hundreds of other churches and cathedrals are key symbols of the country's long Orthodox history.

Russian Culture Facts for Heritage and Traditions

Актуальні проблеми вітчизняної та всесвітньої історії, 2010.

Russian Culture Facts for Heritage and Traditions

Caviar, or ikra, traditionally made from the eggs of sturgeon found in the Black Sea or Caspian Sea, is often served on dark, crusty bread or with blini, which are similar to pancakes or crepes.

Gender and National Identity in Twentieth

Russia as space Emma Widdis; Part II. Students do not pay the Go Global fee when applying to a Global Seminar. His work emphasized that Ukrainians and Russians had a separate.
