## Why Open Schooling is Important?

Plato famously advocated raising children in common within communities in The Republic though not out of concern for equality.

## Essay on Formal and Non

Many of the arguments were cogent, but I am concerned that in many instances schooling was equated with education.

## An envisioned bridge: Schooling as a neurocognitive developmental institution

I also feel that teachers are the unfortunate scapegoats in the education argument.

## Why Open Schooling is Important?

These factors differentiate education from many other social goods. Education is indispensable to individual and society, for without it there would be loss of all the accumulated knowledge of the ages and all the standard of conduct. Formal education is imparted mainly in modern science, arts, and commerce streams with science stream later getting divided into engineering and medical sciences.

## M.Ed. (Philosophy): Social Stratification and Education

I think I know what I want to do.

## Education is not only about schooling

Some philosophers criticize FEO as insufficiently egalitarian.

## **Equality of Educational Opportunity (Stanford Encyclopedia of Philosophy)**

Although the relationship between traditional academic skills and labor market success may be less significant than previously thought, and despite the checkered history of vocational education, formal schooling still has a critical role to play toward equipping individuals for labor market success on several fronts. In addition, there are many informal types of educational opportunity. Rousseau Institute in Geneva, a school of educational sciences to which came students from all over the world.
