**Dr. Lenore E. Walker**

The stated feminist position will undoubtedly cause some readers to discount her otherwise brilliant observations as rantings of a radical - but make no mistake - her observations during her years of studying survivors of domestic violence are insightful and enlightening. Lenore Walker - author of The Battered Woman and nationally recognized expert on domestic violence - recounts her efforts as an expert witness in a series of precedent-setting court cases and brings home to us the terror, violence, and misguided love that shape the battered woman's experience.

**Terrifying Love: Why Battered Women Kill and How Society Responds: Walker, Lenore E.: 9780060161606: skynet2550.us.to: Books**

This third edition presents updated data generated from the newly modified Battered Woman Syndrome Questionnaire BWSQ.
