## Two Contemporary Mongolian Poets

The final selections will be made by a committee of representatives from the History of Art faculty, each of the American Arts departments and the Yale Center for British Art. Founded by a friend and colleague in memory of Paul Sigler, who was a distinguished member of the faculty in the Department of Molecular Biophysics and Biochemistry. Researchers from all 10 winning studies were recognized at a dinner and reception at the National Press Club in Washington, DC.

## Volume 65 Number 28

Moreover, during his final illness he dictated an experimental novel about architectural, literary, and film life in 1950s Los Angeles. Meyer arrived in 1976; in 2018, it saw more than 140,000.

## Courses
