## Eschatology (In Theology)

The origin of the New Testament was a multi-stage process.

## Dislocating the Eschaton? Appraising Realized Eschatology

Thus his calculations should have required an additional year, ending in 1967. So their situation made an act that would otherwise have been wrong proper for them to do. This fallibility becomes evident as soon as we undertake the necessary preliminary examination of the text of the New Testament and of the way in which the books of the New Testament were gathered into one authoritative collection.

## CONTRADICTIONS IN THE NEW TESTAMENT

There is a kingdom of the dead under the rule of Yama, with distinct realms for the good and the wicked. Therefore, the principal goal of Christianity is not to escape from this world, but rather to love the world and work with God to change it for the better Borg 2011, p. Broadly speaking, the development of New Testament eschatology consists in this, that the two ages are increasingly recognized as answering to two spheres of being which coexist from of old, so that the coming of the new age assumes the character of a revelation and extension of the supernal order of things, rather than that of its first entrance into existence.

## R. C. Sproul

Thus, their conflict is a cosmic battle whose outcome will constitute or abolish order in society and fertility in nature. This explains why in the beast is identified with one of the kings.
