**1 Timothy 2:2 NLT: Pray this way for kings and all who are in authority so that we can live peaceful and quiet lives marked by godliness and dignity.**

The sixth Babylonian king, Hammurabi, enacted the code. But far before these days, the most ancient of all our Historians, speaking of those times wherein the Roman Empire decaying quitted and relinquishd what right they had by Conquest to this Iland, and resign'd it all into the peoples hands, testifies that the people thus re-invested with thir own original right, about the year 446, both elected them Kings, whom they thought best the first Christian British Kings that ever raig'n'd heer since the Romans and by the same right, when they apprehended cause, usually depos'd and put them to death. The political condition of Europe at that time was of thrilling interest.

**James Madison's Notes of the Constitutional Convention (June 16, 1787)**

But they were facts bearing upon the question at issue and as such he was bound to mention them.

**Legal Codes in the Ancient World**

We will keep the Combine fighters away from your guns.

**J.R. Hébert, Deputy Procurator of the Commune, to his Fellow Citizens 27 May 1793**

How about the Thirteenth Dragoons? If the Legislative authority be not restrained, there can be neither liberty nor stability; and it can only be restrained by dividing it within itself, into distinct and independent branches. They passed a few happy months at Friendship Hill, when suddenly she died. In the Roman empire, a number of codifications were developed, such as the Twelve Tables of Roman law first compiled in 450 BC and the Corpus Juris Civilis of Justinian, also known as the Justinian Code 429—534 CE.

**Spanking Tube**

The next day a body of men went to the house of the marshal and demanded that he should deliver up his commission. However reformatory the system of transportation might be, its reformatory nature would not justify them in letting loose the criminals of Great Britain amongst the free people of this or any other country.
