Second, even when some member-states are willing to act, EU foreign policy is hobbled by the need for consensus between all members. Army War College, Strategic Studies Institute, November 2011. They took the lack of U.

Assessing the U.S. National Security Strategy

American foreign policy leaders in both the executive and legislative branches must establish a realistic sequence of milestones that, if met, could finally integrate Russia fully and permanently into the Western community of democratic states and market economies. This most likely refers to a number of set up with the governments of Georgia, Ukraine, and Kazakhstan, which some in Russia have viewed as a means to continue the development of biological weaponry, under cover of efforts to seek antidotes and defenses.

The failure of democratization in Russia: A comparative perspective

Thornton, Military Modernization and the Russian Ground Forces, Carlisle, Pa. In many respects, it will be easier for Russia to join NATO than the European Union.
