The Strange One

The DTS-HD MA English mono track with features new and improved English SDH subtitles sounds great and gives some nice heft to the jazzy score by Kenyon Hopkins. He is also seen as overly tough on his charges. An edgy look at the toxic culture at military academies, the story shocked readers with its unflinching for the time depictions of hazing, mind games, and implied sexualities of all stripes, all of which was more or less retained when it was adapted by Willingham as a stage production culling all of its talent from the Actors Studio including up and comers James Dean and George Peppard.

Jocko also does not hesitate to direct his psychological torture against any of the other upperclassmen for whatever reason, his victims who sometimes don't even know what he's done to them until after all is said and done. Two freshmen, along with the roommates of De Paris and the regimental commander, eventually decide to end De Paris' manipulation of them and the school.
