

Parallelization in inference systems - international workshop, Dagstuhl Castle, Germany, December 17-18, 1990 : proceedings

Springer-Verlag - Library Genesis 341000

Description: -

-

Selling -- Study and teaching.

Sales personnel -- Study and teaching.

Vocational education.

Motion pictures -- United States -- History.

Universal City Studios -- History.

Market surveys -- United States.

Pesticides -- Government policy -- United States.

Pesticides industry -- United States.

Prices.

Wages.

Computer interfaces -- Congresses

Parallel processing (Electronic computers) --

Congresses
