Baekje used Malkal's military forces who were accustomed to -- battles on horseback to attack Mahan. As a result, the time that A refers to and the location of the places mentioned in A are still under rigorous debate even in the field of history based on literal sources.

**Paekche wa Tamuro yŏttŏn Waenaradŭl / Kim Yŏng**

The use of historical records was a major part of the methodology in archaeology for studying the expansion of Paekche during the Hansŏng Period. These aspects can be explained by one of the two reasons described below.

**Paekche ũi yŏngyŏk hwakchang kwa chibang t'ongch'i / Mun An**

Therefore, the idea that Paekche had clear-cut boundaries during the Hansŏng Period leads scholars to presume that the expansion of Paekche during this period occurred spatially.

**An Alternative Approach to the Expansion of Paekche during the Hansŏng Period**

However, sometimes they create bias and obstruct diverse interpretations that can be made from archaeological resources. All these models focus on the types of relationships between the core and the periphery, but all assume that Paekche underwent territorial expansion in concentric rings around the core over time.
