Russia: People and Empire 1552

Peasant Economy, Culture, and Politics of European Russia, 1800-1921. She converted to Orthodoxy, learned the Russian language, and took the name Catherine. The Soviet Experiment: Russia, USSR, and the Successor States.

Russia: People and Empire 1552

I have a feeling that in Boris Godunov and especially Khovanshchina he was trying to say something about the way in which the state overshadowed the people and caused ancient Russian traditions to be trodden under foot. See also: agriculture; barshchina; industrialization; obrok; peasant economy; peter i; serfdom bibliography Gatrell, Peter. So, at any rate, the increasingly numerous critics of NEP in the Bolshevik party began to argue.

Molding the Peasantry on the Road to Modernity: State and Peasant Relations in Russia and the Soviet Union

CORINNE GAUDIN is associate professor at the University of Ottawa. Elsewhere, imperial expansion meant the absorption of highly developed polities, such as Poland, from which emanated the two greatest challenges to imperial rule during the nineteenth century.

States of Obligation and the Elusive Rural Citizen

Early libertarianism rapidly disappeared, as the encouragement of soviets and popular power gave way to an emphasis on building a strong, centralised revolutionary state. Yet peasants — outside the urban, industrialized economy — had limited access to these rights. In the pursuit of modernity, both the Tsarist and socialist regimes altered the nature of the peasantry through political and economic maneuvers.

States of Obligation and the Elusive Rural Citizen

Unable to maintain a duality of economic modernity and archaic politics sought by Witte and Stolypin, the regime was challenged by the political efficacy and expectations among the peasantry and urbanites alike.
