Unfortunately, Page 31 shows the Bristol Fighter and S.

Airplane Silhouettes

I have a copy of wartime French publication, Silhouettes D'Avions, Allies et Enemies, which I believe was used as a recognition standard by both France and the US.

Silhouettes of Aeroplanes

All in all it'd be quite hard to pin down where it came from and what it was. I'll have a look and see if I can find anything I don't have many of these. Of course then there were also updates that were either inserted at the publishers prior to distribution or issued separately and pasted in by the people they were issued to.
