Renaissance

The institutionalization of fairs is one solution to problems of decentralization in this profession. These informal associations of intellectuals profoundly influenced Renaissance culture.

Vasari saw ancient art as central to the rebirth of Italian art. University of Chicago Press, 1994 ed.

Vol. 249, No. 2, Summer, 1964 of The North American Review on JSTOR

It was common for older humanists to remain in the Catholic Church, while younger humanists were more likely to become Protestants. Many humanists initially supported Martin Luther as a reformer but began to distance themselves from him as his message grew more radical.

Vol. 249, No. 2, Summer, 1964 of The North American Review on JSTOR

While the schism was resolved by the 1414, a resulting reform movement known as sought to limit the power of the pope. Various theories have been proposed to account for its origins and characteristics, focusing on a variety of factors including the social and civic peculiarities of Florence at the time: its political structure, the patronage of its dominant family, the, and the migration of and their texts to Italy following the to the. A legújabb kutatások szerint Polizianót 1494-ben Mirandolával együtt megmérgezték, feltehetően parancsára.
