Oxford American Children's Encyclopedia: 9

The completely up-to-date Oxford American Children's Encyclopedia is a reference work designed to meet the interests and needs of American schoolchildren.

Oxford Childrens Encyclopedia

The articles are up-to-date and provide more detail than a quick look might indicate.

Oxford Children's Encyclopedia: 7 Volume Set: Worrall, Mary: 9780199101399: skynet2550.us.to: Books

The language is straightforward and the entries are simple yet informative. Oxford asked librarians, teachers, and parents in England to record what children wanted to look up, and the words that they used.

Oxford American Children's Encyclopedia: 9

Be it a school project on nuclear power, homework on the Roman empire, or a bet with your best friend on the world's longest river. The majority of pages are undamaged with minimal creasing or tearing, minimal pencil underlining of text, no highlighting of text, no writing in margins.
