**MAP Growth: Precisely measure student growth and performance**

Useful reports for data-informed decisions Easy-to-use, standards-aligned reports put the information teachers need at their fingertips. Arkansas Physical Map: This Arkansas shaded relief map shows the major physical features of the state. Reliable insights make it simple for teachers to plan for differentiated instruction, develop interventions for struggling students, and see what students are ready to learn next.

### COVID

When students are counting on you, count on MAP Growth Using MAP Growth insights, teachers can confidently tailor instruction to challenge every student, whether they are below, at, or above grade level. Discover the MAP Growth difference Through intuitive design, unrivaled innovation, and a focus on accessibility, MAP Growth helps you understand the needs of more students than ever before. The important north-south route is Interstate 55.
