Henderson delivered a lecture about his travels in Riverina.

Books by Rowland Ward

We believe that the district now known as Riverina does not contain one Church! It is essentially a theological and constitutional history, and covers the four cases Strong, Ferguson, Angus and Cameron where heresy was an issue. I was glad next day, towards noon, amidst the heat of a blazing sun, to find a hearty welcome under the hospitable roof of a friend. He used to keep a store in Castlemaine when I first knew him.

In the same issue of the Pastoral Times which announced the arrival of Rev.

Further Reading & Bibliography

The Melvil Decimal System is NOT the Dewey Decimal System of today. Another became Premier of South Australia and later Premier of New Zealand.

The Presbyterians in Australia / David Burke and Philip J. Hughes

However it was agreed that Hay would remain part of the Presbytery of Castlemaine while Rev.

HAY HISTORICAL SOCIETY WEB

The profile also examines the Presbyterian community in the light of data from the 1991 Australian Census. It stands on the northern side of the

river, and is reached from the south by a punt. By 1876 he had sold his studio and equipment and became a farmer.

Lecturer publications — PTC

Reformed Theological Review 69, issue 3, Dec. Opinions and comment published in this newsletter reflect the views of the editor. It is also fascinating to be able to follow the paths your ancestor traveled and a great example of how sometimes no matter how hard you work and how hard you try, business, competition, mortgages, droughts, bad luck and poor decisions can take it all away and leave you with what you started, namely yourself and your family.

Deakin University / All Locations

Samuel Alexander Hamilton was born in about 1820 at Prescott in Canada and ordained in Ireland in 1848.
