Chinese Folk Stories, Myth and Legends

It could be good and sincere motives, but it can also turn out to be bad or negative motives.

Tales of the Eight Immortals

Folklore of China Chinese folklore encompasses the of , and includes songs, poetry, dances, puppetry, and tales.

Folktales of China : Eberhard, Wolfram, 1909

Now the whole world knows that you sincerely are looking for a horse of this quality. Thus, despite their folkloric quality, they are potentially models for imitation, and it seems probable that people interested in a religious life, or perhaps simply people who felt alienated, may have seen them as role models when secular life seemed overwhelming. It is the same snake.

6 Most Well

One night when the moon had just disappeared behind the mountains, was restlessly tossing about in bed. From then on, the moon and Chang'e relate to the toad comprise the significance eternal and reunion.

A Collection Of Chinese Folk Tales

Lady Meng Jiang was so melancholy that her wailing in front of the Great Wall made a part of the Wall collapsed. Although there are many variations, they roughly follow the same pattern.
