Sheffield is the fourth-biggest city in the whole of the country and as a result, is full of places of interest and sights to see.

Silver, Old Sheffield Plate & Silverplate

By 1700 London, too, had been defeated, and thereafter Sheffield enjoyed a virtual monopoly of the English cutlery trade. Beside them is the Turret House, an building, which may have been built to accommodate the captive queen. Round was his face, and camus was his nose; —, from By 1600 Sheffield was the main centre of cutlery production in England outside London, and in 1624 was formed to oversee the trade.

The Sheffield Knife Book A History and Collectors' Guide by Geoffrey Tweedale

In April 2014 the council, together with Sheffield University, proposed a plan to reduce the blight of empty shops in the city centre by offering them free of charge to small businesses on a month-by-month basis. The rivers Sheaf and Don may have formed the boundary between the territory of the Brigantes and that of a rival tribe called the who inhabited a large area of the northeastern.
