What is Probate?

Probate makes sense only if your estate will have complicated problems, such as many debts that can't easily be paid from the property you leave. Probate laws are different in every state. If your spouse is not alive, your estate will pass to your children in equal shares.

Probate Law

If you break your duty, you may end up being personally responsible for any loss to the value of the estate. Beneficiaries are the people who inherit according to a will. Many states have expedited or simplified court proceedings that are efficient and inexpensive for small or simple estates.

What is Probate?

The account shows all money paid out from the estate and all money collected by the estate. You must provide other information about the deceased person's assets as well.

Wills, Estates, and Probate

Below are some resources to help understand the laws surrounding this process.
