Emily Brontë: Poems Essay

I was at peace, and drank your beams As they were life to me And reveled in my changeful dreams Like petrel on the sea.

No Coward Soul Is Mine Poem by Emily Jane Brontë

But the Haworth household was urgently in need of income, and eventually, uncharacteristically, Emily gave way.

Poem of the week: No Coward Soul Is Mine by Emily Brontë

The 1 st line in this stanza begins with the title of the poem which indicates a strong affirmation; that negates the cowardliness from the soul of the speaker. Additionally, Brontë has chosen to make the second and third lines of each stanza substantially longer, at least in most cases, than the first and third.

Emily Brontë: Poems Essay

No Coward Soul Is Mine by Emily Brontë No coward soul is mine, No trembler in the worlds storm-troubled sphere: I see Heavens glories shine, And faith shines equal, arming me from fear. The curtains waved, the wakened flies Were murmuring round my room, Imprisoned there, till I should rise And give them leave to roam. He was known to walk the cobbled streets and stop suddenly at their billets, inquiring into their welfare, inspecting their horses and the conditions in which they were stabled, exercising and reviewing them personally, and encouraging even the most hardened reprobates to accompany him to church, where he ensured they were seated quietly before the arrival of the congregation.

Emily Brontë

Only later will it come to be considered one of the finest novels in the English language. This is a very personal relationship, founded deeply on the core Protestant idea of a personal sense of God. Writing to cope with the pain of growing up, neglected and uneducated Brontë reaches out to God to fill her wounds and give her a life after life.
