## How to Ask Polite Questions in English

Belonging to an institution devoted to research is an essential requirement, but it is still not enough to ensure that the artist is actually considered a researcher, because it is especially important for the artist to devote himself to the scientific and academic production. Cela veut dire que la communauté politique est celle des États participants, et non la somme indifférenciée des populations de ces États. The French language is spoken by 270 million people worldwide — from arctic Canada, through Europe and Africa, to the islands of the South Pacific.

## Anna Tabaki

It was out of respect for the mission of these schools and the need to not duplicate their functions that the DAMS revised its prerogatives and, on some level, abandoned its original formula, which advocated a mix of actual researchers and artists. Source and copyright: © Dimitra Kanellopoulou. .
