## Covid

Achieving success in global marketing often requires persistence and patience. By applying the basic tools and principles of modern market- ing, the two Stanford University graduates have achieved remarkable success. As indicated here, these include the unhealthy nature of the products, the strategy of industry to evade regulation, and the positioning of reformulated products as healthy.

## Modified Starch Market

It would be a gross oversimplification, however, to assume that all market-oriented economies function in an identical manner.
