Children under 11 will not need to wear a face covering, nor will anyone who cannot put one on due to a physical or mental illness, impairment or disability. A VG condition stapled pamphlet with no tears or previous owner marks.

Tanks

The Four Eras We Cover: The United Kingdom and France started development of tanks in order to break through enemy lines. Part VII: The African campaign 1940-43 The involvement of the German forces, victorious over the Western powers in September 1940, came almost as an accident. Submarines could already do this by using their batteries when submerged, but these were bulky and unsuitable for a tank.

Tanks

With the full use of air support especially the terrifying Stukas , ensuring French ground forces were unable to resist for long, or -in most cases- unable to fight at all, and the French were surrounded and taken prisoner en masse. Many trucks were captured models, mostly from France.

Guide To British Military History: The Subject And The Sources

Hungary, another country born from the remnants of the Austro-Hungarian Empire, was also in a state of quasi-war with Czechoslovakia, due to border disputes.
