### Urban Dictionary: mong

The modern Mong however is a total fuckwit, who deserves nothing less than complete humiliation for their idiocy.

### Urban Dictionary: mong

Its because when you're stoned you act like a fucking retard, you fucking! That includes all those dope smokers too, who relate being 'monged' to being chilled and mellow. Mong is short for 'mongoloid', which was originally an term for a sufferer.

### Urban Dictionary: mong

This makes every witness simultaneously raise their hands to their shoulders and shake 'em while sticking their tongue in their and making 'urgh' noises. .
