Osmanthus Flower and Yi Mei Ren Black Tea Dragon Ball

This mark first appeared in the Daoguang period and continued to be used until mid 20 th Century. For further studies Encyclopedia Britannica is recommended in preference to Wikipedia, that besides having an ideological bias and a number of erroneous Chinese characters, is used by the fake industry to promote porcelain pieces that are not of the period stated. In view of that, it might be worth your while to put together a 'tea lexicon' or perhaps a set of flash cards to take along with you to China and Taiwan, in order to facilitate your shopping.
