Love and Learning: Crayon Techniques

Pick out books from the library that are beautifully illustrated and point out the pictures to your child. Many of the ideas can be implemented during various routines at home.

Teaching Toddlers: Crayons for Beginning Artists

Also, some strategies to begin to develop the concept of printing letters and numbers are included for the child who is at this more advanced level of writing. Dusting with Pastels Rather than scumbling a pastel over the top of an existing block of color, try dusting. CRAYON AND PAINT RESIST First a picture is drawn with crayon.

Exploring Different Art Techniques

A design is made on one peg board by the adult and copied by the child on a second board. Keep materials in easy reach so that they can get what they need on their own without your help. Children also enjoy drawing from their imagination.

How to Introduce Your Toddler to Art: 15 Steps (with Pictures)

Digital Art Techniques Computer Drawing; 3D computer modelling; Powerpoint presentations, Web Design; Film; Video and film making; See my page on and free training from Microsoft. Painting, Colouring, Drawing: Children love being given creative license to change a plain piece of paper into one filled with colour! Each of these pastel techniques can be used on their own or combined, to produce a pastel painting. Also, some teachers feel that coloring pages and books inhibit the creativity and originality of the child.

Tips for Introducing Your Toddler to a New Baby

Crayons are a lot of fun, because so many things can be done with them. Begin with single snips on stiff paper and gradually progress to cutting lines etc.
