It wasn't just a few people willing to die for their country it was ALL of the people were willing to die for their country! Like the tumbleweeds of the title, the characters are caught up in the winds of change. As he says himself, it is not easy to disentangle any of these couplings. The story of ordinary people and their experience of war is often missing from history, and this perspective is very welcome.

Between two worlds : the American novel in the 1960's / by Sanford Pinsker

. Everyone is happy, all the subplots are resolved.

'Between Two Worlds,' by Roxana Saberi

Based on the author's own experiences, the story captures the highs and lows of coming to live in a new country, learning English, and falling in love with the Brooklyn Dodgers during moments that are both heartbreaking and hilarious. Francoeur grew up speaking French as his first language and learned English during preschool. Two of the brothers were drafted members of the Japanese forces but eventually become close to the brother who represented the US.

I recommend thi I received a free advance copy of this book in exchange for an unbiased review and I am so glad that I did. If you reside in an EU member state besides UK, import VAT on this purchase is not recoverable. Then describe the writing: w Try to summarize the plot in two sentences, then tell what your experience reading it was like: How did it make you feel? While a bit slow at parts, I really can't recommend it enough.
